Our Composers for 2025

W A Mozart for Aria lovers and Claude-Michel Schönberg for lovers of music of today

Claude-Michel Schönberg

He began his career in France as a singer, writer and producer of pop songs. In collaboration with Alain Boubil, he is the book co-writer and the composer of *La Révolution Française*, *Les Misérables*, *Miss Saigon*, *Martin Guerre* and *The Pirate Queen*. In 2008, his musical *Marguerite*, in collaboration with Alain Boubill, Michel Legrand and Herbert Kretzmer, opened at the Haymarket Theatre in London. Schönberg has supervised overseas productions and co-produced several international cast albums of his shows.

In 2001, he composed his first ballet score, *Wuthering Heights* which was created by the Northern Ballet in 2002. His ballet *Cleopatra*, which opened in 2011, was his second collaboration with David Nixon and his seventh complete score. In 2012, Schönberg co-wrote the screenplay and reconceived the music for the *Les Misérables* musical movie.

His shows have won many awards over the years, most recently the Whatson Stage audience awards for Best West End Show and Best Musical Revival for the London production of *Miss Saigon*. Golden Globe winner, Oscar nominee and Grammy Award winner for his outstanding contribution to the creative community, Schönberg and Alain Boubill were honoured at a New York Pops gala concert in Carnegie Hall celebrating their 40-year collaboration. Schönberg was appointed Visiting Professor of Contemporary Theatre at St. Catherine's College, Oxford University and is now an Emeritus Fellow. He is an Honorary Member of the Royal Academy of Music where he is a guest Professor.

Wolfgang Amadeus Mozart

Was a prolific and influential composer of the Classical period. Despite his short life, his rapid pace of composition resulted in more than 800 works representing virtually every Western classical genre of his time Mozart is widely regarded as one of the greatest composers in the history of Western music, with his music admired for its "melodic beauty, its formal elegance".

Mozart composed music in several genres, including opera and symphony. His most famous compositions included the motet *Exsultate, Jubilate*, K 165 (1773), the operas *The Marriage of Figaro* (1786) and *Don Giovanni* (1787), and the *Jupiter Symphony* (1788). In all, Mozart composed more than 600 pieces of music. Best known of all its movements are the 'Requiem aeternam', earth-shattering 'Lacrimosa', and fateful 'Dies irae'. The greatest pieces of classical music are the ones that inspire, delight, or move you, so imagine how powerful a piece would be if it could do all three things at once!
